Dear

I am writing in reply to your request for information about vehicles operated by Iqbal Poultry Ltd.

Iqbal Poultry Ltd are authorised to operate 7 vehicles and 3 trailers from the operating centre at Barrows Hill Lane, Westwood, Nottingham NG16 5HJ. If individual vehicles are used for longer than a month at a time, they must be specified on the licence. There are currently two vehicles specified on the licence, registration numbers W\*\*\* \*\* and KX\*\* P\*W.

Please note: because the number of vehicles specified on the licence is less than the total number authorised, Iqbal Poultry Ltd may hire additional vehicles in at any time. There is only a requirement to notify the Traffic Commissioner if these vehicles are retained for longer than a month.

You also asked for details of "the four authorised vehicles" mentioned in the conditions. I am unable to provide these, for the reason set out below.

The conditions were originally attached to the licence of a previous operator based at Barrows Hill Lane, Ivan Housley Poultry Ltd. This licence is no longer valid. When Iqbal Poultry Ltd applied to use the site, the Traffic Commissioner granted the application subject to the company agreeing to have similar conditions imposed on their own licence. The conditions are identical to those imposed on Ivan Housley Poultry Ltd, with the exception that "the four authorised vehicles" (which referred to the previous licence) was replaced with "the authorised vehicles". As no other definition was set out, the "authorised vehicles" should be understood as the seven vehicles and three trailers which Iqbal Poultry are authorised to operate from Barrows Hill Lane.

Unfortunately, it appears that a clerical error was made during the updating of our computerised records, and the text of the original conditions (i.e. those imposed on Ivan Housley Poultry Ltd) was recorded against the licence of Iqbal Poultry Ltd without the amendment detailed above. I have contacted the Traffic Area office and asked them to amend the computer records accordingly.
