Dear

I am writing to advise you that following a search of our paper and electronic records, I have established the following information that you requested regarding the operators licence granted to Joseph Baddeley, Operators Licence Number OC96536, 10 Deakins Road, Wharton, Winsford, Cheshire, CW7 3BL.

An application to renew the licence was received in the North Western Traffic Area Office in June 1976, this was granted in July 1976. As renewals were required to be made on a 5 yearly cycle, it establishes that there was an operating centre at 10 Deakins Road, Wharton, Winsford, Cheshire, CW7 3BL since at least 1971. I have enclosed a photocopy of the relevant page from the application form showing the address of the Operating Centre, the total number of motor vehicles and trailers in possession and those to be acquired.

Prior to that date a different licensing system was in place; Carriers Licences were issued to operators. Unfortunately we do not hold records from this period.

If you are unhappy with the decisions made in relation to your request from VOSA you may ask for an internal review. You should contact VOSA Corporate Office (e-mail www.vosa.corporateoffice@vosa.gsi.gov.uk) Berkeley House, Croydon Street Bristol BS5 0DA if you wish to complain.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at:
