Notes

VOSA Came into effect on the 1st April 2003.

Sick Absence figures for Traffic Area Office staff only appear from 1st April 2003

Vehicle Inspectorate figures appear from 1st January 2003

Traffic Area Office absence figures between 1st January 2003 and 31st March 2003 should appear under the DfT Central figures

The following causes are aggregated as "other" in the above table.

None of these causes accounts for more than 250 days of absence.

The exact figures are withheld for this reason to minimise the risk of individual staff members being identified.
