Dear **XXXXXX**

I refer to your recent request for information, for ease of understanding I have written the question asked and inserted the answer below.

I wish to know how many vehicles belonging to VOSA or Operated by VOSA carry a battenburg type livery?

The total number of vehicles operated and /or owned by VOSA that carry this livery is fifty nine (59).

The cost of each individual vehicle?

This varies on the make of vehicle, you will find as a separate attachment to the covering email a spreadsheet which gives vehicle costs per vehicle based on make of vehicle and type of use – Columns 1 and 2. The abbreviation PtS means Power to Stop, ANPR means Automatic Number Plate Recognition, PCE means Post Collision Examination.

What special markings and equipment are fitted to such vehicles as mentioned above?

This information is shown on the spreadsheet in columns 3 and 4.

If you have any queries about this letter, please contact me. Please remember to quote the reference number above in any future communications.

Yours sincerely
